How can I monitor my Chapter 13 case?

To monitor your case go to the following website and create a member login:

www.ndc.org

This website allows you to review the payments received by the Trustee, the claims that are being paid, and the balance that is owed. One of the responsibilities of being a Chapter 13 debtor is to make sure that your Trustee payments are made on time, every month and in the correct amount. If your payments are made by payroll deduction, it is YOUR responsibility to ensure that your payroll deduction has been taken out of your check correctly and sent to the Trustee on a MONTHLY basis. Please keep in mind that if you have elected to have your plan payments deducted from your payroll check, that it may take up to six weeks for the deduction to begin. During this time it is very important that you make your Trustee payment directly.

Ensuring that your bankruptcy plan payments are current is essential. If there is a substantial change in your financial circumstances and you will not be able to make your Trustee payment, please contact our office so that we may try to help you.
